POST EVENT REPORT

Autoserve 2018

Confederation of Indian Industry with the aim of providing a great business platform to aid the Automotive Aftermarket Industry in achieving better growth launched Autoserve in the year 2004, as a biennial event. The event took a growth path favoring the industry by serving its ultimate goal of making a progress in business through showcasing ideas, innovations and development.

The 8th Edition of Autoserve 2018 was held from 23rd to 25th November, 2018 at Chennai Trade Centre, Chennai with Automotive Component Manufacturers Association of India (ACMA) as the partner for this initiative has received very good response from the exhibitors & visitors and was appreciated by the industry and excellent platform for automobile aftermarket industry.

Auto Serve - India's Largest & Focused Exhibition on Automotive Care, Maintenance, Service, Parts & Garage Equipments has showcased the strength of technologies available and offered a platform for sourcing & networking for the Indian Automotive Aftermarket segments.

About us

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process. Founded in 1895, India's premier business association has around 9000 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from around 265 national and regional sectoral industry bodies.

CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, healthcare, education, livelihood, diversity management, skill development, empowerment of women, and water, to name a few.

As a developmental institution working towards India's overall growth with a special focus on India@75 in 2022, the CII theme for 2018-19, India RISE : Responsible. Inclusive.Sustainable. Entrepreneurial emphasizes Industry's role in partnering Government to accelerate India's growth and development. The focus will be on key enablers such as job creation; skill development; financing growth; promoting next gen manufacturing; sustainability; corporate social responsibility and governance and transparency.

With 65 offices, including 9 Centres of Excellence, in India, and 10 overseas offices in Australia, China, Egypt, France, Germany, Singapore, South Africa, UAE, UK, and USA, as well as institutional partnerships with 355 counterpart organizations in 126 countries, CII serves as a reference point for Indian industry and the international business community.
